

UNIVERSITÀ
di **VERONA**

Dipartimento
di **INFORMATICA**

For master's students and everyone interested:

Extracting programs from proofs

Minicourse on construction,
realisability, double negation

Ada Lovelace (* 1815, † 1852),
first programmer
by Mark Palmer
and Midjourney

Ingo Blechschmidt  logicverona.it

Cà Vignal 1–2, Strada le Grazie 15, Verona

June 11th, 2024:

Lecture, 10:30–12:00

Tutorial, 12:15–13:30

Aula D

June 12th:

Lecture, 11:30–13:30

Tutorial, 16:30–18:30

Sala riunioni secondo piano

June 13th:

Lecture, 13:30–15:00

Tutorial, 15:15–16:30

Aula L

Double negation is one of a mathematician's finest weapons. —Ariel Kellison

*What more do we know if we have proved a theorem by restricted means than
if we merely know the theorem is true? —Georg Kreisel*
